Review

Overview

Joe focuses his practice on the needs of startups, emerging companies, and established businesses in a wide array of legal areas. He provides counsel on a variety of corporate transactional matters including corporate formation, entity structure, contract negotiation and drafting, and corporate governance.

Experience

- Assists with private offering deals for startups, including drafting operating agreements, shareholder agreements, and subscription agreements.
- Represents commercial lender and private equity fund clients in subscription credit and net-asset-value financing transactions.
- Reviews and drafts corporate enforceability and UCC-perfection opinion letters delivered in conjunction with subscription credit facilities.
- Prepares accredited investor questionnaires, term sheets, and Form D filings.
- Analyzes private equity fund subscription documents and prepares summaries ensuring clients' security interests are enforceable.
- Assists with commercial transactions, including drafting cross-purchase, asset purchase, loan, supply, license, trademark assignment, broker-shipper, employment, and independent contractor agreements.
- Drafts and assists with structuring transaction documents in a variety of complex business transactions.
- Performs due diligence and corporate analysis on all types of entity structures.
- Conducts legal research and drafts memoranda analyzing a broad range of complex legal issues.
