of Toledo Law Review

Overview

Mary focuses her practice on real estate and environmental law, and assists clients in all aspects of real estate development and environmental compliance matters. She assists a diverse range of clients by drafting a variety of transactional documents, conducting extensive research, and preparing comprehensive memoranda on various real estate and environmental issues.

Experience

- Provides assistance with transactions involving the acquisition, disposition, and development of commercial property.
- Assists with all aspects of the due diligence process in real estate transactions, including environmental due diligence.
- Conducts legal research and prepares memoranda on a range of topics, including real estate, environmental, and energy law.
- Served as an intern with Marathon Petroleum Corporation where she completed research and drafted briefs on various environmental law issues.
- Served as an intern with the U.S. Environmental Protection Agency where she worked with the Office of Enforcement and Compliance Assurance's Office of Civil Enforcement, Water Enforcement Division.
